

Declaration of Interest – Cllr Dr Tumi Hawkins

I hereby declare a non-pecuniary interest in today's proceedings because I am the elected member for Caldecote Ward, in which the new Bourn Airfield new village resides. In addition, I live on West Drive in Highfields Caldecote, which lies directly east of and next to the new village, which means my property is one of those closer to the boundary of the new village.

In the light of discussions this week with the legal service arising from concerns raised by Bourn Airfield site developers based on my previous participation in the campaign to stop the inclusion of the airfield in the local plan, I wish to clarify that today, I will make a statement as the Ward member to represent the views of my residents in both Highfields Caldecote and Bourn, because it is my duty and in their best interest for me to do so.

Thereafter, I will not take part in the discussion or vote but will remove myself to sit with the general public.

Tumi Hawkins
